A more affordable pathway to your degree in Canada. Attain your credits and potentially reduce your fees through our unique pathway programs.

Get your diploma or degree in Canada

Depending on the credits attained at Capilano University, students will receive either a Business Diploma or BBA Degree.

Benefits of Post-Graduation Work Permit*

- Graduates eligible for 1-3 year work permits
- Kids going to public school education

*Graduates of the Business Diploma or BBA Degree at Capilano University may be eligible for PGWP status upon successful completion of their programs.

How Does The Pathway Program Work for SELC Students?

Your program length at Capilano University may vary based on the number of credits that transfer. You are expected to take 30 credits (10 courses) per year. With credit transfer, the program length may be 4 or 5 terms with one scheduled break term. Students must complete at least the academic duration of their program to apply for Capilano University Pathway.
